David has been calling for over 45 years. He began calling originally in 1975 at the age of 11, however he did not fully pursue the calling profession until 1980. Since that time David has become a very popular, well liked and highly sought after caller. Known for his playful yet professional style, he calls dances throughout California on a regular basis. He has also called dances internationally in several countries including Denmark, Sweden, and China. David calls and teaches all levels from Basic to C-1.

Dawn has been a well-known instructor in the clogging community since it became popular in the mid 1970's. Dawn saw that her passion about dancing reached outside of the Clogging community, and she found a home in the Round Dance community as well. Dawn currently teaches two very successful round dance classes in Anaheim. Presently, she teaches Phase II-V, and dances through Phase VI. Dawn is a member of ROUNDALAB, ICBDA, and SCRDTA. She has served as Secretary for SCRDTA and is on the board of directors for Roundalab. In addition, she and her husband, David are currently the Directors for the Palm Springs Round-Up Festival, which supports all phases of round dancing.
